grow. learn. connect.

JEFFERSON-MADISON
REGIONAL LIBRARY

Position: Teen Coding Program Volunteer

Overview: Northside Library is looking for a volunteer with some coding experience to help lead a coding club for 10-15 teens. The program will occur once every two weeks for one hour, and run from June-August.

Location/Department: Northside Library

Reports to: Neda Defibaugh

Responsibilities:

- Plan coding challenges
- Help teens learn basic coding concepts
- Encourage teens to learn from one another

Benefits:

- Be an integral part of a digital literacy program
- Help teens learn valuable job and life skills while serving as a mentor

Training/Support available: Volunteer will work with a library staff member

Qualifications:

- Some experience working with teens
- Experience coding

Commitment: Minimum 3 month commitment
