Library News from Branch Manager, Ginny Reese
COVID-19 Response: JMRL entered tier 2 of their COVID-19 response plan on May 17th. There is a maximum of 16 people allowed in the library at a time, not including staff. The library is continuing to follow the governor's guidelines. There is a goal of reaching tier 1 in the beginning of July but it is not official.

Summer Kick Off: There was not a summer kick off again this year due to COVID-19 guidelines.

Curbside Pick-up: This service is still available to patrons but is not used as frequently because of the reopening of the interior of the library.

Ginny is expecting a busy summer at the library!

Old business
Landscaping: The plan to move forward with the native landscaping renovations is on hold for this year but was approved by the JMRL board.

New Business
Natural Playground: Susan Bramley and Ginny Reese proposed the addition of a natural playground for young preschool age patrons. The playground would consist of things such as different sized logs in a row, an oversized tire, a slide built into the hillside, and a bench. There were questions raised about maintenance and liability.

Activity Table in Children's Area: This is a new addition to the library that has interchangeable tops for different kinds of toys (train track, large legos, tinker toys, etc.). Ginny Reese requested the board's financial support to purchase the toys that correspond with the various activity surfaces. June raised the question of cost. Susan Bramley offered to price the various toys needed. June Battaile moved to support the pricing and consideration of purchasing the needed toys. Ellen Thurnau seconded, the motion passed unanimously.

The meeting adjourned at 8:25 pm. The next regular meeting is scheduled for July 20, 2021. Minutes respectfully submitted by Haley Yost.
